# THE MEZZANINE

**Our Mezzanine space is the perfect extension of our downstairs Diner, located in the heart of the brewery. This versatile area can be fully customized and arranged to suit the specific type of event you wish to host. Not to mention we are Fully Accesible with Ramp and Elevator access.**

**This unique Mezzanine overlooks the core of Red Truck, offering a full view of our beer production process. From our masher and kettle to fermentation tanks and the production line, you'll get an up-close look at how our craft beer is created—not to mention the iconic 1946 Dodge truck suspended from the ceiling!**

**The Mezzanine is equipped with three washrooms and full audio-visual capabilities, including TVs. Whether you're planning an intimate 20-person private dinner in our tasting room, a 10-person board meeting, or an 80-person celebration, we've got you covered!**

**This is a fully catered, liquored and service provided package which you can see in more detail on the pages down below!**
